### The Truth About Muslim Marriage

**10pm, Channel 4**  
This isn't a "Say Yes to the salwar kameez" twist on the reality wedding formula, but a sombre look at an issue that affects UK Muslim women, mainly, but some secular cohabitees as well. A surprisingly large number - including presenter Dr Myriam François - mistakenly believed that a traditional Muslim wedding or Niqah is legally binding. This lack of legal status can have devastating consequences if the relationship breaks down. **EEJ**
